Name2	University Roll no2	signature

ACKNOWLEDGEMENT

Thanks to Mr. Bill Gates for creating Microsoft Word and with it an easy-to-use word processor. Use your own language.

Name of student 1
Roll no.

Name of student 2
Roll no.

ABSTRACT

A simple template is provided here in MS Word class. This can be used to easily write a thesis suitable for submission at GEHU. The class provides options for B.Tech.

The formatting is (to the best of knowledge of the authors) as per the guidelines of the institute.

CHAPTER 1

(SAME FORMAT FOR OTHER CHAPTER)

INTRODUCTION AND MOTIVATION – 3 to 4 pages (OR ANY OTHER HEADING)

This is the first chapter of the thesis/dissertation template. This is to indicate the formatting style of the report. The line spacing is 1.5, with the indent at the new paragraph.

The new paragraph can start in the next line, with no gap. There is an indentation of 0.2" at the beginning of the paragraph. Paragraph in the thesis will always be justified, not left-centered.

2.1. MS Word features

A new section paragraph starts with no indentation. However, there will be a regular indentation of 0.2" at the start of next paragraph.

If we want to insert a figure in the text, it has to be centered and suitable title be added for the same. For example,

Figure no and caption

CHAPTER 2

OBJECTIVES OR PROBLEM STATEMENT

Point wise explanation of each objective

CHAPTER 3

SOFTWARE AND HARDWARE REQUIREMENTS

(Proper system requirements and SRS should be included in this chapter with proper diagram)

This section may include complete SRS of the project.

CHAPTER 4

PROJECT METHODOLOGY / DESIGN

(Algo and blue print should be included in this chapter with proper diagram)

This section may include architectural design of the project, implementation of any objectives, pseudo code/ algorithms, discussion of the results, etc.

CHAPTER 5

IMPLEMENTATION AND RESULTS

The new paragraph can start in the next line, with no gap. There is an indentation of 0.2” at the beginning of the paragraph. Paragraph in the thesis will always be justified, not left-centered.

CHAPTER 6

CONCLUSION AND FUTURE SCOPE

The new paragraph can start in the next line, with no gap. There is an indentation of 0.2” at the beginning of the paragraph. Paragraph in the thesis will always be justified, not left-centered.
